

# San Francisco State University

## TECH CAREER FAIR

November 16th, 6 PM - 9 PM

Seven Hills Conference Center, State Drive, San Francisco CA

### Overview

Student organizations in the College of Science and Engineering at SF State are hosting their second annual technical career fair. This is a terrific opportunity for recruiters who are looking to fill entry-level and associate software, hardware, and engineering positions. The event will be attended by students in Computer Science, Electrical and Computer Engineering departments. Last year was a tremendous success for both students and employers and we hope you will join us this year.

For \$100, we provide a table, parking, refreshments, and opportunities to talk with students about available career opportunities.

Please sign up for the event by following this link: <https://goo.gl/B1AXDx> Any questions can be directed to [pklein@mail.sfsu.edu](mailto:pklein@mail.sfsu.edu).

### Students and School

Located off the M MUNI line near Lake Merced, SFSU is a short ride from Downtown San Francisco. As of Fall 2015, there are 30,256 undergraduate and postgraduate students.

San Francisco State is home to a diverse student body. 45.4% of undergraduate students are from underrepresented minorities in STEM. 57% are women. 37% of first-time freshmen who are first in their family to attend college. <sup>†</sup>

Computer Science at SFSU has grown tremendously in recent years. It is now the 4th most popular major on campus.\* The department is involved in a variety of research opportunities with leading Bay Area companies. Students have the experience and skills to add value to companies as soon as they are hired. <http://cs.sfsu.edu/>

### Event Sponsors

This event is a combined effort of the following student organizations: *Association for Computing Machinery (ACM)*, *Society of Women Engineers (SWE)*, *National Society of Black Engineers (NSBE)*, *Society of Hispanic Professional Engineers (SHPE)*, *Institute of Electrical and Electronics Engineers (IEEE)*.
